

"WE CAN CHANGE OUR NARRATIVE."

DAMIÁN

4 MONTHS ON PrEP

I TAKE PrEP AND
I'M READY
TO PREVENT HIV.

PrEP is a daily pill to prevent people without HIV from getting HIV. Ready, Set, PrEP provides free PrEP to people without prescription drug coverage who test negative for HIV and have a prescription from a healthcare provider.

→ [Go to ReadySetPrEP.hiv.gov](https://ReadySetPrEP.hiv.gov) to see if you qualify for free PrEP.
